

Prepare for **DISASTERS**

Anywhere at Anytime!

Disasters, both natural and manmade, can strike anywhere and at anytime. Each home needs to prepare for these emergencies by having a plan and a kit. It is easy to do and will help your family recover quickly from an emergency. Knowing how to prepare for, respond to and recover from a disaster can not only make you feel more secure, it may save your life or the life of a loved one.

Get a Kit to Include

- Three day supply of food & water
- Flashlights & extra batteries
- Battery powered radio
- First aid kit

Make a Plan

- Know what to do if you must evacuate your home
- Be ready if you must take shelter in your home
- Inquire about emergency plans at work, daycare and school

Be Informed

- Learn about the types of emergencies that can occur in your community
- Know what action you should take for these emergencies
- Be familiar with your community's emergency plans
