

How to be safe while *Grilling*

Don't let a grill fire ruin your next cookout!

Keep these tips in mind:

- Never use a propane or charcoal grill indoors.
- Keep grills 10 feet away from your house, balcony, deck or garage.
- Enforce a “kid-free and pet-free zone” of 36” around the grill.
- Use soapy water to check hoses and connections for propane leaks.
- Use the proper starter fluid for lighting charcoal grills. Do not use gasoline or a flammable liquid other than charcoal starter fluid
- Keep the grill clean.
- Never add starter fluid once coals are ignited.
- Keep matches & lighters away from children.
- Dispose of coals once they are cool and place them in a metal can away from anything that can burn.
